

MAY

What we remember from childhood we remember forever - permanent ghosts, stamped, inked, imprinted, eternally seen. ~Cynthia Ozick

During the month of May we will cover time and measurement, science concepts will include life cycles, plants, and pollination, maps and US landmarks will be continued, long vowels, and we will continue to build current phonics, reading, and comprehension skills. There will also be a review of previously learned concepts.

Our daily routine of prayer, the calendar, weather, songs, stories, etc. will also be continued.
